

Introduction

TGF Consultants Ltd was established in 1990 and feel that the basis of a good consultancy service is a thorough understanding of the needs of the Client backed up by a wide knowledge base and many years of experience of a broad cross section of industry.

A high standard of Quality Assurance is achieved within our *BS EN ISO 9001: 2000* framework.

Our team of qualified and experienced Health and Safety Consultants undertakes the production of cost-effective and bespoke services for industries including, but not limited to:

- *Construction.*
- *Chemical.*
- *Pharmaceutical.*
- *Electrical.*
- *Engineering/Manufacturing.*
- *Environmental.*
- *Transport/Distribution.*
- *Pharmaceutical.*
- *Property Management.*
- *Retail.*
- *Nuclear.*
- *Education.*
- *Paper/Print.*
- *Health and Social Services.*

TGF Consultants Ltd provides timely and bespoke solutions for our Clients.

We ensure that problems are directly addressed without unnecessary input from our Clients who, we understand, are busy undertaking the day-to-day operations of their business.

TGF staff are experienced in a broad cross-section of industries and qualified to at least Institution of Occupational Safety and Health (IOSH) Diploma standard.

TGF staff are also currently working towards becoming Chartered Members of IOSH.

TGF staff are members of the Institution of International Risk and Safety Management (IIRSM).

Curriculum Vitae (CVs) and relevant Certificates are available on request.
